

ACTIVE PATRIOT GROUPS

IN THE UNITED STATES IN THE YEAR 2003

The Intelligence Project identified 171 “Patriot” groups that were active in 2003. Of these groups, 45 were militias and the remainder include “common-law” courts, publishers, ministries and citizens’ groups. Generally, Patriot groups define themselves as opposed to the “New World Order” or advocate or adhere to extreme antigovernment doctrines. Listing here does not imply that the groups themselves advocate or engage in violence or other criminal activities, or are racist. The list was compiled from field reports, Patriot publications, the Internet, law enforcement sources and news reports. Groups are identified by the city, county or region where they are located. Within states, groups are listed alphabetically by place of origin.
